BUILT-UP AREA : 124 Acres
STATUS : Design Development

The Dassault-Reliance manufacturing facility Dhirubhai Ambani Aerospace Park is located in the Mihan SEZ adjoining Nagpur International Airport. Under this Joint Venture (51% Reliance Infrastructure and 49% Dassault Aviation) the facility will manufacture several components of the Rafale Fighters. DRAL will manufacture components for the Legacy Falcon 2000 Series of Civil Jets manufactured by Dassault Aviation and thus will become part of its Global Supply Chain. These first steps are expected to achieve in the coming years the possible setting up of final assembly of Rafale and Falcon Aircraft.
