

## Forum Mall

Kolkata, West Bengal

CLIENT : Forum Projects Pvt. Ltd.  
SCOPE : Interiors  
BUILT-UP AREA : 70,000 Sq.Ft.  
STATUS : Completed

**The rationale of design in this project was to facilitate an Identity & environment of International Quality.**

The Design 'language' consisted of a common thread holding all the interior spaces together. Traditional Rangoli pattern was modified to reflect its modern interpretation. The Motif is used throughout the common spaces for continuity in design.
