

High-End Residential Club in Kochi

Kochi, Kerala

CLIENT : Confidential
SCOPE : Residential Club House
BUILT-UP AREA : 16,500 Sq.Ft.
STATUS : Execution

As a premium residential club house, amenities are developed for luxurious user experience which was challenging given the limited space and oddly shaped built form. To mitigate the odd corners and compact spaces, subtle articulation is rendered throughout the clubhouse. Rich materials and textures with metallic accents are used to bring in the luxury quotient.
