

Skyview Marketplace

Hyderabad

CLIENT : RMZ
SCOPE : Interior Design
PROGRAM : Food court
BUILT-UP AREA : 30,000 sq ft
STATUS : Completed

COLLABORATION : Studio Design, Turkey

Skyview is developed with the notion of a workplace beyond deadlines and mundane routine. In order to do so, various social hubs are planned in the vicinity.

Market place is one such zone in SEZ and NON SEZ towers of Skyview which aims at providing a cheerful and delighted ambience. Based on the unique concept given by Studio design, Edifice administered project execution within stringent timelines with challenging amalgamation of various materials and endearing details.
