

Taj Vivanta

Shillong, Meghalaya

CLIENT : Aura group
SCOPE : Façade design
PROGRAM : Hotel
BUILT-UP AREA : 1,25,000 Sq. Ft.
STATUS : Execution

The hotel will comprise of 100 well-furnished guest rooms and other features including multi-cuisine restaurants, recreation facilities and modern meeting spaces.

The building has been in existence since long and the requirements have been retrofitted over the period. It was challenging to design the facade with existing envelop and thus only few modifications were done. DROP OFF was enhanced with wooden fins, Roof was highlighted with green shingles and F&B areas were made more interactive with large glass windows. Rest of the facade is painted with light color to undertone numerous facade projections. Similarly, lighting is also added to highlight few elements and under play undulations.
